## About US

The company was founded in 2020 by **Ravi Sethi** and **Neeru Sethi**.

**Ravi** has nearly three decades of experience in the publishing industry having dealt with the sales and marketing of innumerable bestsellers. He has a deep understanding of market trends and has close link with both the requirements and reading patterns. **Neeru** has been a banker, and has a profound love for books. The husband and wife team believe that there is always place for a quality publisher and distributor in what could be termed as a crowded market.

For any author or publisher, distribution is key and this is what... Books promises to deliver to each author under their umbrella.

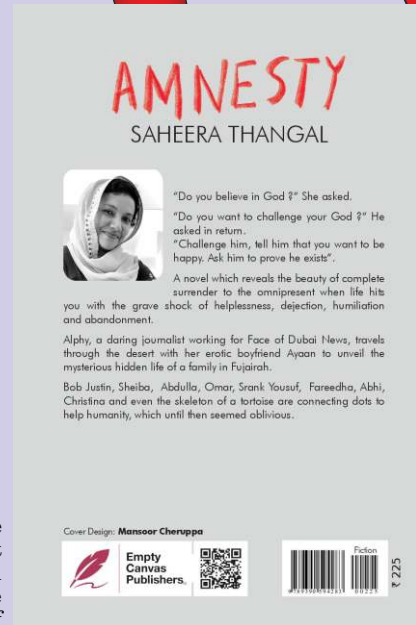

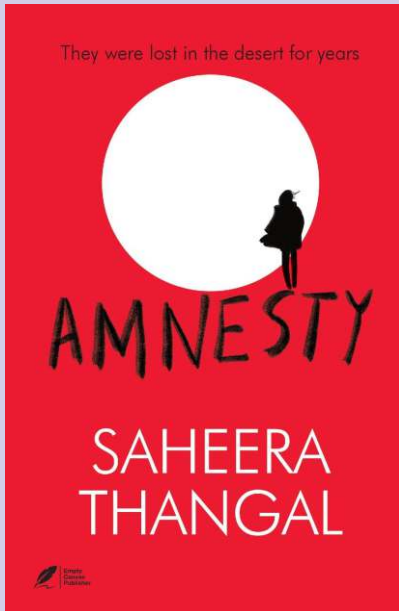

Books publish and distribute the works of established and debut authors under the multiple genres of fiction, non-fiction, self-help, mind-body spirit, philosophy, religion, biographies and memoirs.

The company takes on the added impetus for author to have their books published in popular Indian languages including Hindi, Marathi, Tamil and Telugu amongst others, as per demand.

Our books has a wide network of distribution on both online and offline portals besides e-books. The distribution network includes placement of books at all major bookshops across the country including airports and railway stations.

The extensive distribution network also includes distributing to Southeast Asian countries that can include selling rights and exporting. Working along with the authors... Books makes every effort to promote titles and authors across various for a, a big part of which is social media.

## About book

"Do you believe in God" She asked. "Do you want to challenge your God" HE Asked in return. "Challenge him , tell him that you want to be happy. Ask him to prove he exists". A Novel which reveals the beauty of the complete surrender to the omnipresent when life hits you with the grove shock of helplessness, dejection, humiliation and abandonment. Alphy, a daring journalist working for face of Dubai news, travels though the desert with her erotic boyfriend ayaan to unveil the mysterious life of a family in Fujairah . Bob Justin, Sheiba, Abdulla, Omar, SrankYousuf, Fareedha, Abhi, Christina and even the skeleton of a tortoise are connecting dots to help humanity, which until then seemed oblivious.
